Dear school community,

While it has been a shorter term, it has not been the easiest of terms for CWPS as a school community. I wish to thank everyone, from students and staff to parents and friends for the support they have demonstrated to us all across this term. This was evident at our recent *Chill & Grill*, which saw so many parents, carers, staff and students come together for a free sausage sizzle and friendly chat after school. Thanks to all those who volunteered to help run this event, in particular to Nina and her crew from the Coburg West School Community group.

Staffing

I would like to thank Dan Copping, Fiona Currie and Patricia Amerena for the effort and hard work that they each demonstrated during their time in the role of Acting Assistant Principal across this first term. As Term 2 commences, Mr Copping will once again be in the role of Acting Assistant Principal.

We are also currently going through the recruitment process for a performing arts/music teacher.

Student Leaders

During this term, students across our school were involved in the democratic process of nominating, campaigning and voting for our senior student leaders. After what were passionate speeches from each of our candidates, the broader student group voted. I wish to congratulate our **2018 School Captains, Liberty R and Theo K**. Congratulations also to the other nominees Jay P, Brain G, Zach SK, Layla AW, Elleni K, and Maya B who are now members of our Student Leadership group.

School Council

This past term we also underwent the process of electing new members for our School Council. As such, I ask you all to join me in thanking our parting members Margee Glover, Dean Jones, Ruth McLelland, Scott Burchell and Sean Powell. Their years of service and support to our school are greatly appreciated. In particular, I wish to thank Sean for his years as School Council President during a time, which saw considerable change at CWPS. Not only did he welcome me into the school and support me as I settled in as the substantive Principal, he has been proactive in establishing the Sustainability Group. As part of his work with this group over the last few years, Sean has been instrumental in the LED conversion of lighting across the school and more recently the installation of new solar panels. These initiatives not only provide long-term savings for our school, but also ensure we are more energy efficient, in turn benefiting the environment for our children's future. Once again, thank you and best wishes Sean.

With the election process complete, we must congratulate and welcome our new members to School Council; Robyn Oxley, Melissa Gangemi, Heather McGiddy (Secretary), Justin Boots, Louise Harrison and Simone Meagher.

They join current and returning members; Sandy Vouch (Vice President), Elliot Scott (Treasurer), Ian Drew (President), Dan Copping, Patricia Amerena, Nina Altintas, Scott Burchell and myself.

There are further opportunities for you as parents to support School Council. You are able to join one of the sub-committees and help continue making this the best possible learning environment for all our children.

Supervision

A reminder to all parents and carers, that our schoolyards are supervised by school staff from 8:45am and until 3:45pm. Therefore, children should not be onsite before 8:45am or after 3:45pm unless they are being supervised by a parent or carer. Alternatively, they **MUST** be booked into our Out of School Hours Care program.

Birdcage

Thank you to Vito who has been taking care of the birds in our courtyard. Over time, the numbers of amazingly coloured creatures have increased, so has the interest from our students. It provides so much life, colour and song to our school, with so many students finding it a nice place to sit and calm themselves.

We kindly ask you all to please ensure your children do not lean or press on the mesh and wire sides of the cage. It has been the case where Vito has had to regularly repair the cage. Such damage could allow predators to enter through the night to attack the birds, or for the birds to escape.

On behalf of everyone here at CWPS, I wish you all a safe and happy holiday. We look forward to welcoming everyone back to CWPS for the start of Term 2 at 9am on Monday 16th April.

**Kind regards,
Mr Colagrande
Principal**

Next Meeting for 2018 – Tuesday 8th May @ 7.00pm

It was brilliant to have 18 enthusiastic people at our first meeting for 2018! The chairs in the Community Room were pretty comfy too, our creative juices were flowing!

The Minutes were distributed via the email list, so if you didn't receive a copy and would like to, please send a request to the above email address.

Meeting dates have been set for the year based on feedback. We plan to alternate our meeting times between school hours and after hours as per schedule (see below).

Also, we encourage you to use the Community Room – especially as the weather turns cold!

Community BBQ Chill & Grill – Volunteers Make It A Success!

A BIG thank you to those volunteers who took some time out of their afternoon last Friday to make our Welcome BBQ such a great success! Thank you to the set-up team, BBQ'ers, servers and those who could stay around to clean up also – your assistance big or small is very much appreciated and events like this could not go ahead without all hands on deck. Around 600 snags were handed out and about 200 drinks were sold!

Here are our events coming up for next term...

If you would like to be involved with the planning of these events but can't make the meeting times, let us know – most of the working groups will meet at times convenient to them separately to the CWSC meetings.

Mother's Day – Term 2: 9th & 10th May - the working group is made up of **Nina Altintas, Melissa Pagliaro & Zuska Kelaart**.

Are you a keen bargain spotter? If you find a bargain that you think would make an amazing Mother's Day gift (@ \$2.50 per item), let us know!

This event is a service to enable children to purchase a quality gift for their Mother or a special person in their family.

We will be calling for volunteers to run the stalls – Dad's keep an eye out for this one, if you can make the time to volunteer for this as it would be awesome to not have mum's selling their own Mother's Day gift to their kids!

School Disco – Term 2: Tentative date Friday 25th May - we have **Louise Harrison, Rachel Perkins & Bec Henry** who are busy planning away for what promises to be "The Social Event of the Year" for the students of CWPS.

Entertainment Book – Term 2: we have **Anna Cavaleri & Beverley Young** making this package of fun at bargain prices happen at CWPS. A letter will be sent home asking if you would like to opt out of receiving a copy to preview before purchasing. Stay tuned.

Term 3 & beyond – more people needed...

Inter-school Footy Match against Pascoe Vale South Primary – Term 3 Tentative date Sunday August 12th - we have **Christine Doolan & Heather McGiddy** busy planning away with the PVSPS team. The date is to be confirmed once the West Coburg Footy Club fixture is finalised. This will be a parents/carers match held at West Coburg Footy Club grounds. This has been approved by the School Council so if you would like to become a player, please let us know: crissdoolan@gmail.com or h.mcgiddy@gmail.com

Parent's Night (Trivia or Bingo): so far we have **Kimberley Palay & Melissa Pagliaro** on the working group, if this event is to go ahead we need more people to get involved. This is probably one of the most fun events of the year, it's all about making a night out for the parent community – who doesn't want that! So get on board, get involved and do only as much as you're comfortable doing!

2019 Fete Planning: **Melissa Pagliaro, Meg Breese, Charlotte Smith, Zuska Kelaart & Sarah Tuckett** are getting the ball rolling, if you'd like to be a part of the team, please let us know.

Coburg West School Community Meeting Dates 2018

- Based on feedback by email and Facebook, Tuesday evenings 7pm & Monday mornings after assembly are the most suitable times for the meetings.
- Meetings are usually on the first week of the month, unless this is during school holidays or falls on a public holiday. This will allow time for reports from the CWSC to be provided to School Council.
- We aim to complete all business within 90 minutes, some items may need to be carried over to the next meeting.
- Meetings are held in the Community Room (near the Art Room)
- Everyone is welcome to attend, contribute or provide input
- Working groups may meet separately to plan for specific events, updates from the working groups will be provided at the CWSC meetings.

LOCAL WALKING NOTICE

A note has been posted on COMPASS explaining the local excursion permission. Please read and consent to the note by Tuesday 24th April.

PREMIER'S ACTIVE APRIL

This year Coburg West Primary School will be involved in the Premier's Active April.

Active April encourages all Victorians to do 30 minutes of physical activity a day during April. It is free, it's fun and its part of the Victorian Government's commitment to get more people active and healthy.

To get started first you need to register on the Active April Website: activeapril.vic.gov.au

Once you begin, YOU use the online Activity Tracker to log your daily activity and track your progress throughout the month. Plus, you can create and join teams, including the Coburg West TEAM, compare the progress of team members, discover events near you and win awesome prizes!

Coburg West Primary School team ID: Coburg-West-PS

There are many activities you can participate in with friends and family, both at school and at home, such as walking to school, bike riding, skateboarding, walking the dog, kick to kick, frisbee, hulu hoops, dancing, gymnastics, hide and seek, wall tennis, down ball, swimming, jogging, playing football, soccer, netball, softball, tennis and heaps more.

During our first week back next term to help us get active, the school has organised a daily 10 minute walk around the school before school which will be a great way to start the school day.

So make sure you register soon at activeapril.vic.gov.au and join in the challenge. It will be great fun!!!

Thankyou

Chris Harvey

Active Transport Update

Brooke and Gianluca were very helpful in collecting the transport data listed below

In our Prep area the results for the survey were as follows:

Grade Level	Ride, skate, scoot	Walk	Car	Public Transport	Total
Prep	10 (13%)	31 (40%)	36	1	78

Grade 1/2 Results were as follows:

Grade Level	Ride, skate, scoot	Walk	Car	Public Transport	Total
1/2s	22 (9%)	35 (25%)	69	1	138

Grade 3/4 Results were as follows:

Grade Level	Ride, skate, scoot	Walk	Car	Public Transport	Total
3/4s	23 (20%)	38 (33%)	541	1	115

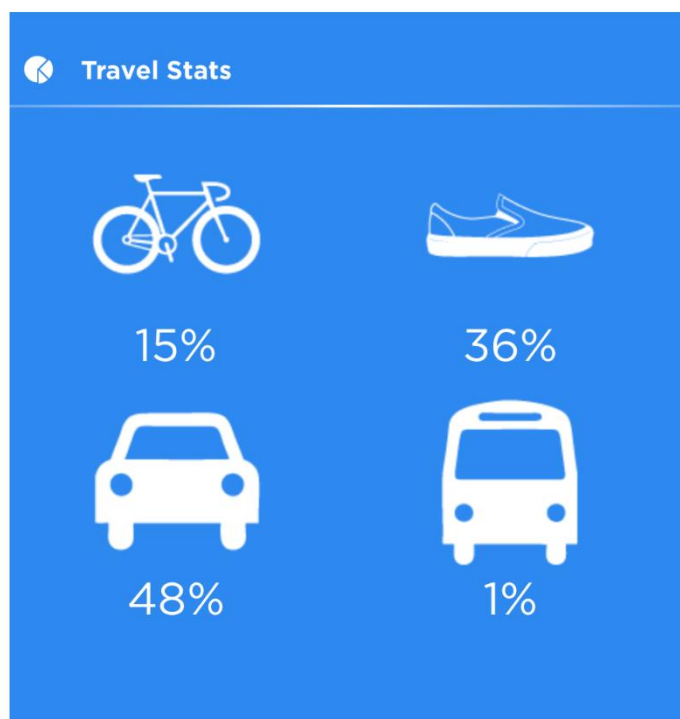

Grade 5/6 Results were as follows:

Grade Level	Ride, skate, scoot	Walk	Car	Public Transport	Total
5/6s	9 (10%)	38 (41%)	44	2	92

School Total:

Grade Level	Ride, skate, scoot	Walk	Car	Public Transport	Total
All grades	62 (15%)	153 (36%)	203	5	423

As you can see we were not able to survey all community members but here is the summary of our transport options. Who thinks we could do better? If we combined walking and riding we have more students using active transport.

LEARNING
FROM CHILDREN

FREE

Hold the Vision Workshop

10am - 1pm Sunday 29th April

Do you ask yourself how could I do this better?

Are you challenged by your children or life in general?

Are you struggling to navigate the minefield
of decisions for your children?

Learning from Children is a concept that gives a new perspective to our interactions with children. Coming from the view that our children are here to teach us.

This workshop will empower you and give you new perspective on your challenges.

When we are faced with the challenges of parenting in our modern world, looking for our learning can give us a sense of purpose. By working on ourselves we can regain the feeling of control and order in our lives.

Three hours of interactive and experiential learning will leave you with a greater understanding of yourself and your children.

Sharing our stories and experiences with others creates an environment that will nurture and heal.

Three hours of connection, learning and fun with supportive people.
